Synopsis

This newly updated edition of Mozambique will whet the appetite of independent travelers. After uncertain years of war and natural disaster, this guide encompasses the changes that have taken place. Southern Mozambique is only a days' drive from Johannesburg, with the capital Maputo lying just over the border, making it an easy extension of a visit to South Africa. The south coast of Mozambique is exceptionally beautiful; beaches lined with palm tree and world-ranking snorkeling, diving, and game-fishing locations are all highlighted, along with listings of exceptional restaurants and resorts. For backpackers exploring off-the-beaten-track Africa, the challenges of getting to and around northern Mozambique are described. Also detailed is Ilha do MoÃƒÂ§ambique--a small coral island and Cultural Heritage Site boasting a formidable fortress and claiming to be the oldest European settlement in East Africa.

Book Information

Series: Country guide

Customer Reviews

‘Best guidebook.Ã¢â ¬â„¢The Sunday TimesÃ Â ‘[Philip Briggs] is clearly not only an expert on travel in Africa but also someone who cares deeply about the countries he is visiting.Ã¢â ¬â„¢Traveller MagazineÃ Â ‘The guide reads well and contains all that an enterprising traveler or backpacker might need in the way of information about this little-known country.Ã¢â ¬â„¢Library ReviewÃ Â ‘The Guide to Mozambique is both readable and informative. The information is bang up-to-dateÃ Â – and so is the style. A book for discoverersÃ Â – grab it!Ã¢â ¬â„¢Ã Â SA Tourism --This text refers to an out of print or unavailable edition of this title.

Great travel book! Helped plan my trip to Mozambique! Bradt travel guides are amazing.

I was unlucky enough to have to visit Mozambique with the previous edition of this book, which was (very poorly) updated by a different author and had numerous shortcomings.Better late than never though, and I was surprised to see that in this new edition the original author Philip Briggs has once again produced a guide in line with the quality of his other titles on Africa.Practical information is now much more thorough, and there is far more detail on wildlife and national parks. He has also successfully resisted Bradt's switch from giving only vague categories, if at all, to indicate rates of accommodation, and this book, like all others by this author, still gives you actual prices like LP.I still feel the book is still a bit overly enthusiastic about what I personally found one of the least rewarding countries in the region though - I even found Mozambique's beaches far less impressive than guidebooks might lead you to believe.The country's most unique feature in my eyes is its Portuguese colonial heritage, and that is well-introduced here.I wish I had already had this edition with me on my trip!

We are lucky to have been travelling in 4 African countries covered by Bradt guidebooks from author Philips Briggs. As with his other guidebooks, Philip Briggs is a very dedicated writer, and we believe these guidebooks are excellent. Mozambique is a beautiful country. We loved the people, and we enjoyed our visits to some eco-tourism projects, that were mentioned in the book.Take this guide when travelling to Mozambique!

The book contains a good overview of the history of Mozambique as well as useful hints for tourists in relation to money, customs, wildlife, etc. The provence by provence guide was very good.
