## Synopsis

"I can’t think of a better word to describe the last three months of my life than this one: Suddenly. Suddenly, my friends and I became mermaids. Suddenly, my best friend was a merman who happened to be my soulmate. Suddenly, this mermaid princess was living in our apartment, begging us to help her. Suddenly, my life changed. My name is Lacey, and don’t bother asking me why everything started happening so suddenly because I don’t have a single clue."When three friends save a mermaid in danger, they have no idea that doing so will turn them into mermaids too. Between soulmates and tails and strange changes to their bodies, what are three brand-spanking-new mermaids to do? Set in the world of Sara Summers’ Shifty Series, where humans and shifters live in the same world as friends and neighbors, this stand-alone novella series is about four girls who have to work together to save the underwater world and get used to everything that comes with being mermaids-- powers, soulmates, changes to their bodies, and new responsibilities. This series is clean young adult fiction, containing no explicit content.Suddenly Series:Book 1- Suddenly MermaidsBook 2- Suddenly Soulmates (Coming Soon)Book 3- Suddenly Criminals (Coming Soon)Book 4- Suddenly Special (Coming Soon)
