Synopsis

Bradt's Ghana is the only dedicated guidebook on the market and the most comprehensive source of travel information on the country, written by Philip Briggs, the leading writer of guidebooks to Africa. Catering for all types of visitors, from bar-hoppers to birdwatchers, and covering everything from Ghana's 550km of Atlantic coastline to its remote and sparsely populated northern border, Bradt's Ghana is the most detailed resource for those who want to explore the country's wealth of tropical beaches, national parks, forest reserves, cultural sites and scenic waterfalls. It also includes more than 60 maps and is accompanied by a dedicated updated website run by the author himself.Friendly, safe and inexpensive, Ghana is an ideal destination for first-time visitors to Africa. It is rich in little-visited national parks, forest reserves, cultural sites and scenic waterfalls and blessed with bleached white beaches and the lush rainforest of the Atlantic coastline. Updated throughout, this revised guide includes authoritative history and wildlife sections, accommodation and restaurant recommendations and a wealth of background and practical information. Written by Africa expert Philip Briggs, it provides unrivalled detail and knowledge of this little-visited nation. This edition has been updated by Sean Connolly, author of Bradt's Senegal and a contributor to several of Bradt's African titles, who has been visiting the continent regularly since 2008. It has been thoroughly updated and carefully tailored to any changes in the Ghana travel scene since the last edition.

Customer Reviews

One of the few comprehensive guides available. (Time Out)Highly informative and rich in local

detail. (Wanderlust magazine)The best guidebook to the country. (The Sunday Times)The best guide to Ghana. (Elle magazine)Philip Briggs is clearly not only an expert on travel in Africa but also someone who cares deeply about the countries he is visiting. (Traveller magazine)

He still spends at least four months on the road every year, usually accompanied by his wife, the travel photographer Ariadne Van Zandbergen, and spends the rest of his time

For anyone traveling to Ghana, this guide is a MUST. The reviews are complete, particularly in Elmina Ghana on the Coast where guides and area are truly wonderful. History resonates ! !

great guide thanks to this

this is fine so good to have

This guidebook is very detailed and comprehensive and a must if you go to Ghana. HOWEVER, it is much too optimistic about conditions in Ghana and the difficulty in traveling around. I was a Peace Corps volunteer in Ghana in the 1980s and could not believe how much the guidebook underplayed the difficulties of visiting there. Buy the guidebook but take what it says about transportation with a grain of salt. Unless you have lots of time to kill, do not take public transportation and hire a private car. Given the conditions of the roads and many other factors, it will take a ridiculous amount of time to get anywhere.
