Synopsis

Do you ever take time to just read something nasty to your lover? Do something different and experience a different form of intimacy.Each story is short to read so when youÃ¢â ¬â„¢re done light a candle and get it on!Most of us grew up reading nursery rhymes and fairy tales but I do not believe you have ever been introduced to this version.These short stories have been reprised in their own way to bring your sexuality, your imagination and your orgasmic senses to a place where they have never journeyed before. As you lie in bed at night with the one you love read a story and allow your pleasures to soar, take flight and become absorbed in each other
