Great book! I’m taking my first cruise in a couple of months and don’t know anything about it. This

book is great. Tells how to plan, what to pack, motion sickness, how to save money...you name it, it covers it. I feel much more prepared for a first timer! Glad I got this book. Would recommend for anyone cruising for the their first time.

I thank the author for sitting down and putting this quick, but very informative book together (I read it at work over lunch). I feel ready for my first cruise. Although I'm sure that there will be some bumps, I feel confident that they'll be fewer than had I not read this book. Thank you :-).

This book has helped me with so many details about my first cruise that I would never have thought of on my own. It is incredibly easy to read and full of amasing tips to make the most of your cruise. I loved reading it and highly recommend everyone who plans to go on a cruise (especially first timers!) to read this book - it will make a huge difference to how much you enjoy your cruise! Awesome book - thanks Ben for writing it!
