Customer Reviews

Not impressed with definitions. The definitions could use some better wording.. be more clear cut, giving the user a better picture of what the word means

its a little too thick for my 4th grader...but I guess it has all the words so thats good.

Excellent item and fast delivery.

Really though.

Handy and compact.

awesome

Speaking English as a foreign language only (I'm Brazilian), I struggled to find a good dictionary to aid my readings of Shakespeare, Milton etc., for all English-Portuguese dictionaries are way too concise and leave out a great many important terms. That's not the case of the Merriam-Webster's Dictionary and Thesaurus.

My guy is taking classes while incarcerated and he needed a dictionary/ thesaurus. This worked out perfectly! Thank you for having it available and making it so easy to purchase and send!
