Synopsis

After years working for Talon Security, Sarah Scott has settled into her life in Los Angeles. Her friendships are growing stronger, and that spark with a certain former SEAL... well, it just might be worth exploring. That is, until her ugly past becomes her present and Sarah sees no other choice but to disappear. Letting her go isn't an option. Theo Armstrong appears back in her life, determined to claim and protect. Sarah has a choice to make between letting the stubborn, occasionally maddening, always endearing man into her heart, or fighting to keep him out. When Sarah's past comes roaring into the present with violent results, Theo and the Talon team will fight to protect the woman he loves. That freedom Sarah has craved all these years may be within reach--if she can survive long enough to claim it. Book Three of the Talon Security series can be read as a stand alone, though it is recommended you read the other two books in the series first. * Due to strong language and sexual content, this book is not intended for readers under the age of 18.

Customer Reviews

I was so excited for Theo and Sarah's book and I loved their story. Collide is another great book in the fantastic Talon Security series. Collide like the others in the series can be read as a standalone, but I highly recommend the whole series. Now I am ready for Declan's book which I hope is next.

I enjoyed the characters. Good plot and suspense. I liked including the characters from the first & second books. The author did a nice job of carrying over the personalities & lives of the previous characters. I hope you have a book 4 with Declan & book 5 with Peter planned.

I absolutely love this series it gets better and better I loved Sarah and Theo I loved there ÃƒÂ Ã Å¸Ã â ™Ã Ëœlove!!! I love how close all the friends are Sarah parents are funny and sweet best one yet!

Loved the story of Sarah & Theo. Theo was such an hot alpha male but being so amazingly gentle as well. It was great to see the other characters from the rest of the series and what was happening with them. Now I'm sad I finished it so quick. Will have to read it again to savour it.

Fell in love with Sarah and Theo amazing read couldn't put it down can't wait for the next one you rock

Loved every part of the book. The characters are awesome. Have read every one of Megan's books. Can't wait for the next one!

Amazing I love this story so much it had me laughing and dreaming of a man like Theo it's totally worth the time to read

Enjoyed Theo and Sarah's story. Can't wait for Declan's!!!All of Megan's books keep you wanting more. Couldn't put it down.
