Colm McCreary has left his home in Bear Mountain and come to the shining paranormal city of Midnight, Mississippi. Bound in magic, only paranormal beings can see the portals that bring them inside the boundaries. Humans see nothing but a vast field and wood.First on his agenda is a new job. With the help of fellow transplant, Eilam, Colm seeks a job on the KingÃ¢â ¬â„¢s Guard. While in an audience with the king, he comes face to face with one member of his triadÃ¢â ¬â •a shifter named Theis. Theis isnÃ¢â ¬â„¢t prepared to accept that he has a mate. HeÃ¢â ¬â„¢s worked too long and hard to rise to the ranks that he has to let something as stupid as lust get in the way.But he canÃ¢â ¬â„¢t resist the ache his fated partner causes in him. He hopes one heated night of passion will make the desire fade. When it doesnÃ¢â ¬â„¢t, he only pushes Colm away.Not long after, Colm meets the last member of their triadÃ¢â ¬â •a human. Refusing to let the human go, he illegally smuggles the man into the city. Little gets past the Midnight Security Team, and they quickly come face to face with a kingÃ¢â ¬â„¢s guardsman tracking him down. Theis is faced with another mate when he didnÃ¢â ¬â„¢t want the first. Will he choose Midnight over his mates?

A great spin off of Bear Mountain, Colm greats his guys and what he always wish for. Abbas too read book

Kelex has an amazing talent for a great plot and world building that reels me in! I love Bear Mountain and Project Zed. I've read every single one! This series I can't wait to read more of. Kelex does a great job of bringing the characters needed but giving us just enough to know more is coming! Other than a few grammatical errors and a name being wrong, it didn't take away from the story at all. In fact, I want more sooner rather than later! I've known Colm was getting his own story in this new spin off. This McCreary brother isn't the last of the McCreary's and I hope to read more of them. Colm, Theis (part of the King's Guard), and a human (there's more about him in the story!) have quite a bit to get through first. Definite brief UST! But Mr. Human (find his name out in the book) brings the triad together. I don't want to give much away, but I see two books in the making for this series. The King, Eilam & Noah although I think this one might not be the next. I think that King is going to give us a very stubborn run! The human of this triad has quite a few friends, so I see them in future books. The others I'm unsure of because of what happened in the ending. Now you want to read because I'm being coy! My only question was how will the human explain that he can't be at his job! I'm hoping this gets explained in later books! Read it, and Bear Mountain that started this journey to Project Zed to Midnight, Mississippi! Absolutely fantastic and can't wait for more!

For lovers of the Bear Mountain Series this is a must read. Colm finally gets his story (I'm hoping not the last McCreedy to get his story.) I enjoyed the variety of paranormal beings that Midnight allows the author to bring into the story. Layers of humor and brief glimpses of history all add to the charm. The trio is hot and as always the sex is steaming but Kelex has laid the stage for a wonderful spinoff series. This book is well worth the read and I can't wait for the next.

Love this book. Was not short, but was a fast read. Loved the ending. I can't wait for the next book.
