Juscelino Neco is a noted illustrator and comic artist. He lives in SÃƒÂ£o Paulo, Brazil.

Out of all the coloring books I ordered, I was looking forward to this one the most. When it arrived I was so disappointed. So disappointed that yes.. I sent it back. Very poorly drawn. I even tried to get passed that and tell myself that it was just cheesy and kitchi ... that didn’t work.

Yep, exactly what we were looking for! Daughter was appropriately creeped out & in awe and excited to color these pictures when she received this for Christmas. She is so into zombies and this fit the bill so well without being too cartoonish.
