Synopsis

This best-selling coursebook on legal research is known for its clear, step-by-step instruction in the basics. Using a building-block approach, Basic Legal Research: Tools and Strategies, Sixth Edition breaks material into discrete, readily comprehensible parts. Self-contained chapters on sources make the book flexible for any type of legal research course. Useful pedagogy throughout the text includes end-of-chapter checklists, clear examples, and summary charts. Helpful sample pages and examples of research sources guide students through the presentation, and an accompanying workbook provides exercises to test comprehension.Key Features of the Sixth Edition:Clear, step-by-step instruction covering the basics of legal researchA building-block approach that breaks the material into discrete and comprehensible partsSelf-contained chapters on research sources that make the book adaptable to any type of legal research courseEnd-of-chapter checklists, numerous examples, and summary charts that aid in understanding, retention, and reviewUpdated sample pages, screen shots, and references to research sources Completely revised material throughout, providing thorough instruction in the features and use of the main research platforms. Excellent.

i think its ok had to buy it b/c of school

It reads like a manual, but is very helpful for starting out. This was the textbook for my 1L Legal Research class and it’s been very helpful.

A book of screenshots. It’s a huge waste of money!

Book was exactly what I was looking for.

The book was what I was looking for. Thank you.

Very thorough & serving me well during this 1st year of law school. Very helpful & will be used. SULC
