Synopsis

Relationships are messy. Sometimes we struggle to get along, especially when there is disagreement. Often we find ourselves divided--even as Christians. How can we work out our differences and disagreements with humility and grace, always showing the love of Christ, while still remaining true to what we believe? The Apostle Paul wrote to the Christians living in Corinth about this very thing. The cultural backdrop of Corinth was even more overtly sinful than our culture today, yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ. In this six-week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions--whether in the workplace, neighborhood, school, home, social media community, or church. We'll discover that the answer is living and sharing the radical love of Jesus Christ, and we'll unpack what this means and how we can live it out day by day. The Participant Book includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer.

Arrived quickly and as described.

This is a great study teaching us to "living love" in all life’s situations. Study qestions allow readers to personally reflect their own experiences to relate to the issues at church at Corinth. The book includes interesting cultural and other background information at the time Paul wrote the book of I Corinthians enhancing the study.

Always thorough! Good guidelines for all of us.

Doing this bible study with my womens group and I love it. I looked for a study for a while and this one caught my eye. We love it. Easy to understand and totally relatable.

I thought this was the best bible study that I’d ever taken. And Melissa Spoelstra rocks!!

Very informative.

easy to read.....easy to discuss....was in depth so this provided great conversations

I did not enjoy this study at all. I don’t care for the version of the Bible used and I found this study to be more about the author than about the Bible.
