Synopsis

Thor’s hammer is missing...again. The thunder god has a disturbing habit of misplacing his weapon - the mightiest force in the Nine Worlds. But this time the hammer isn’t just lost; it has fallen into enemy hands. If Magnus Chase and his friends can’t retrieve the hammer quickly, the mortal worlds will be defenseless against an onslaught of giants. Ragnarok will begin. The Nine Worlds will burn. Unfortunately the only person who can broker a deal for the hammer’s return is the gods’ worst enemy, Loki - and the price he wants is very high.

Best Sellers Rank: #78 inÃ Â Books > Audible Audiobooks > Children’s Books > Science Fiction & Fantasy #125 inÃ Â Books > Audible Audiobooks > Children’s Books > Fiction

Customer Reviews

For me this one wasn’t as good as the first one. It kind of dragged on and was off to a slow start but towards the end it definitely picked up and left me wanting more. So I am really excited for the next installment to this series

As a second book of this series it also stands alone. I prefer this one to the first book, understood the mythology better.

My 13-year-old has loved both of the books in the series and cannot wait for the 3rd!

Kind of preachy at times with a certain character. But still a great read if your a fan of Rick’s other books and style.

This book isn’t bad for those who enjoy Riordan’s sense of humor. The characters have more

complicated personalities, however only a few of them do. The adventures are less fascinating than those from the first 2 series

Such a cute book, easy read, you are able to get lost in the story for the day. The characters are likeable and the writing style keeps you interested.

Well, my son loves it...

Kids love these books!
