Synopsis

This is the first attempt at synthesis of the varied dataÃ¢â ¬â ¢ethnographic, historical, archaeological, and archivalÃ¢â ¬â ¢on the impact of the Spanish conquest and Spanish rule on Indian society in Peru. Although the HuarochirÃƒÂ- region is a source of most of the case histories and illustrative material, this is not a narrow regional study but a major work illuminating one of the two centers, along with Mexico, of settled Indian civilization and Spanish occupation in America. The author delineates the basic relationships upon which local Andean society was based, notably the kinship relations that, under the Incas, made possible the production of great surpluses and their efficient distribution in a region where markets were totally unknown. She then traces the impact of the Spanish colonial system upon Andean society, examining how the Indians responded to or resisted the political structures imposed upon them, and how they dealt with, were exploited by, or benefited from the Europeans who occupied their land and made it their own. This is the story of a social relationshipÃ¢â ¬â ¢a relationship of inequality and oppressionÃ¢â ¬â ¢that endured for centuries of Spanish rule, and inevitably led to the collapse of Andean society.

Book Information

Paperback: 376 pages

Publisher: Stanford University Press; 1st Edition edition (December 1, 1988)

Language: English

ISBN-10: 0804715165

ISBN-13: 978-0804715164

Product Dimensions: 6 x 1.1 x 8.9 inches

Customer Reviews

"It is difficult to convey the wealth of information and ideas in this remarkable book. It isÃ¢â ¬â ¢and may remain for a long timeÃ¢â ¬â ¢the best work in any language on the process of change in Andean society under Inca and Spanish rule." (Hispanic American Historical Review)"A study of such high quality, realized on so many levels, is indeed a rarity today." (Latin America in Books)

Review:The Huarochiri an Andean Society under Inca and Spanish Rule book reflects a fascinating work. The title of the book is an appropriated name, because Huarochiri is the only city after the sacred capital Andean of Cuzco which represents about the world image of historical Andean culture. There are much to be said about Huarochiri which our great-grandparents and grandparents have provided information to us from generation to generation.I enjoyed reading this book.Pedro P. Inga
