Best Sellers Rank: #413,607 in Books (See Top 100 in Books) #78 inÃ Â Books > Children's Books > Geography & Cultures > Explore the World > Australia & Oceania #7443 inÃ Â Books > Children's Books > Science Fiction & Fantasy > Fantasy & Magic #10042 inÃ Â Books > Children's Books > Action & Adventure

Age Range: 3 - 6 years

Grade Level: Preschool - 1

Customer Reviews

This is a nice book with great illustrations. I just wish the story was a little longer. My preschooler enjoys looking at the pictures, but she doesn't often pick it to read.

My grandson loves the movie Moana! He gets up and dances to the music and loves the characters. I wanted to get him a book that he would enjoy and this doesn't disappoint! It is as colorful as the movie!

purchased for library

Daughter loves it

Our grandaughter was thrilled!

What I, as a youth librarian, hope for in a board book: Brief, catchy text ideal for preschool-aged children; eye-catching artwork; lasting message or emotion.What this book delivers: The kind of movie sum-up I would expect from a Disney book; fairly brief, but not-so-age-appropriate text; meaningful quotes which mostly would sail over a preschooler's head but elementary-age kids would get; gorgeous artwork; smooth, glossy board pages, and the best feature - die-cut shapes filled with film and illustrations which overlay onto the following page (including palm trees, birds, and a giant hawk). The story is inspirational, and I think a child aged 4-6 who's a fan of the movie would quite enjoy the book, but the preschoolers likely to pick it up in my library would probably not understand most of it.

The photo does not do this book justice. It has see-through windows throughout all the pages and it's quite substantial. It's also very sturdy. It's not a paperback and it is also vibrant. It's a very memorable book that I am sure will be a favorite among the Moana books.
