Author/Illustrator, Anthony Curcio has a B.A. in Social Sciences from Washington State University and is an educational consultant and speaker. Anthony lives in Seattle with his wife and two daughters.

Super impressed with this coloring book. Double page images of each player, new and retro cubs logos and the design the hat/uniform thing was brilliant.

I was impressed, and grateful to discover something that may be fit for a toddler when she ages a little more. However, it is too soon to know if she may like it, because her mother in a country that probably does not play baseball. I was simply trying to send a gift that shows off my city's headlines.

She saw this on on facebook and she wanted and I purchased this. Chicago Cubs is her favorite team of all Time. Thanks !

not what i hoped in pictures to cover but will be appreciated by the people I am giving them to as gifts

Very pleased perfect item for one who has to sit through long boring meetings. :-)

was disappointed that some of the pages were duplicates.. also would have like to see more players' numbers on uniforms. but a fun way to document cubs in the world series for kids & grown kids!

The coloring book is a bit lame. There are 50 pages to color but there are two pages of each image so not 50 different images. I'll keep it but not really what I was expecting.

Great cover. But I thought the pages would have more than just the player ... I thought it'd be with some scenes from the WS game at the least ...
