Customer Reviews

I really like the way Emily Woods writes her Christian Romance novels. She is able to get across a

moral or Christian life lesson, without beating us over the head with it. I enjoy the characters of her books. They seem authentic and someone you would like to get to know.

AGAIN I am not surprised. A great clean book and a great one that keeps you interested. Nothing boring in this book.Thank you. I don’t know how many books you have written but I am off to find another one to read.Fawn

A great book by this author. It was a very fast read because you wanted to see what happened. I would definitely recommend this book.

I really enjoyed both Book 1 and Book 2! I would recommend both books to Friends! Thank you for sharing.

You can count on this author to tell a great story that with rest on your heart days after reading it! This tale did not disappoint. She totally captures the reality of us not understanding why God allows things to happen because we are only seeing the underside of the tapestry He is weaving in our lives. While the story is definitely Christian, I never feel beat over the head with it while reading her work. This is one of her best stories. I love the longer novels as a good author can add details that make a good story great! I love this story! I will be reading all of this authorÃƒÂ¢Ã â ¬Ã â„¢s work. I received a free copy of this book and voluntarily chose to share my honest review.

Kate had a past that had hurt her and then she lost her parents and her house but she had her daughter Maddie. Kate didn’t have a place to live or money to get a place for her and Maddie. She wrote to her aunt that lived in Montana and she went out there to live. She was only concerned about a place to live for her and her daughter, she never realized that love was waiting for her.

A wonderful story by Emily Woods. Kate suffered several tragedies in her life. Her husband died a tragic death. She moved in wit;h her parents and their house burned killing both of them. Only Kate and her daughter Maddie survived and the only item saved from the burning house was Maddie’s doll Cindy. Maddie is so traumatized by everything that has happened she stopped talking. Kate and her daughter travel from Connecticut to Montana to live with her aunt Marge on her ranch. Here she meets Luke, Marge’s partner who has secrets of his own. Can Kate and Luke come to terms with their individual pasts and move forward. Will Maddie ever talk again? This is another well

written book by a great storyteller. Definitely a must read.I received an ARC of this book from the author and this is my honest review.

This was sad in the beginning, a young woman's husband had committed suicide so she and her Daughter went to live with her parents. There was a great fire and her parents perished leaving her homeless and alone. She goes West to a Cousin who took them in.As she had took in a young m a n who straightened out her Ranch. Loved this book and am looking forward to the next one.A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.
