A challenge in eye and hand collation. I just I’ve lookin fr words. It is a god game while waiting on someone.

THE info given as how to find and download free OR paid game apps is no better than the "how to" already provided on and the Kindle. PLUS EVEN when I tried finding one of the apps in the Store using the search feature, I still wasunable

With four Kindles in the family and three young boys, this turned out to be a book of need. I can find games for the boys. This is extremely important on those long trips in the car.

I enjoy my Kindle and love playing games...the two together is real nice. I don’t have to keep up with a book or pen, just turn on my Kindle and play.

I thought I was getting access to a site to play games, not read about them - very disappointed - description is misleading

didnt feel this was worth it at all. It was not helpful in anyway and way too wordy for what it was intended

I thought it was actually "free kindle games" and it wasn’t. Not worth the 99 cents i paid for it.

Nothing. Not badness b n b b b b b v v v v v v vv v v
