Customer Reviews

I love these bags and love the book. Her instructions are so well illustrated and easy to follow that you really can't fail.

i just loved the book ! Hope she will get more book publshed. I will get every one. So well written .LOVE IT!!!

It was great how to book easy to understand and follow to make this necklace and not many supplies needed

Great project! It’s much simpler than you’d imagine. It’s so fun to create these you hardly want to stop. It’s quick and pretty easy!

I was hoping for patterns for seed bead amulet purses and was disappointed to find the main source of cohesion in the projects is glue, not thread.
