i would recommend this book for all people who are working as breast care nurses or team in order to know more as this book is quite informative

Excellent book

Superb book. Can’t wait till next edition.

my father this it is the best , This is wonderful.....very sharp and feels good in my hand. I just used it for the first time yesterday and it will be my favorite product. It arrived quickly and in great condition. It is a very handsome product. great, and very happy. very fast, receive it next day, feel very good .

Easy to navigate. Has all that I need- facts/figures- good section on breast ultrasound and MRI.

Have not checked out DVD of procedures yet.
