Synopsis

The colorful history of the teddy bear from its pre-Roosevelt days to the present is traced and presented with detailed photographs to exemplify the changes that teddy has overcome. Includes a section on bears manufactured from such renowned companies as Ideal, Steiff and Horsman. Also includes a charming jointed teddy bear pattern so you too can make a bear that is recorded in history! 29 color and 733 b/w photographs.

Customer Reviews

"...Excellent overall view of all kinds of bears. Wish I had written it." -- Lita Solis-Cohen, Marine Antique Digest

"Schoonmaker’s work covers the teddy bear phenomenon from A to Z. This anthology should serve as a perpetual account of our running off with Teddy Roosevelt’s gift to mankind." Jim Ownby, Founder of Good Bears of the World, Spinning Wheel

Nice book, great photos, but didn’t find my 1950’s teddy bear in it, which made me sad, because I wanted to know more about him so I could possibly find another one to replace the one that was given up in my teens...I have spent the last ten years trying to find one like the one I gave away. People, don’t give away something you love.....

As described and pictured and shipped fast.

I had to return a copy of this book I borrowed from a friend, so bought my own. Great ads and articles on the history of teddy bears. Best book I ever saw on the subject. Not expensive. Great for the collectors, historians, anybody interested in the subject.
