It said this was new I paid over $100 for it because I needed it for school then when I tried to type in

the access code on it for my class it had already been used now I'm waiting on a refund and can't finish my school work until I receive a new one very frustrating

It got here in time and it is just the access code for SAM.

I was a bit surprised that all I got for the $100 I paid out was a code to enter into my course system.
