Synopsis

Dr. Bruce Wilkinson, president of Walk Thru the Bible Ministries, takes readers to 1 Chronicles 4:10 to discover how they can release God’s miraculous power and experience the blessings God longs to give each of us. The life of Jabez, one of the Bible’s most overlooked heroes of the faith, bursts from unbroken pages of genealogies in an audacious, four-part prayer that brings him an extraordinary measure of divine favor, anointing, and protection. Readers who commit to offering the same prayer on a regular basis will find themselves extravagantly blessed by God, and agents of His miraculous power, in everyday life.

Even well-versed Biblical scholars might be perplexed if asked about Jabez, a little-known man listed in 1 Chronicles, chapter 4. Yet his simple petition is the cornerstone of The Prayer of Jabez and has become a call to live a more "blessed life" for countless readers. The prayer is a simple one: "And Jabez called on the God of Israel saying, ’Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep me from evil, that I may not cause pain.’ So God granted him what he requested." In an era where many Christians shy away from anything that smacks of "name it and claim it," author Bruce Wilkinson alleviates misgivings by putting the prayer into perspective. Wilkinson, founder and president of Walk thru the Bible Ministries and a popular speaker for Promise Keepers, writes in a persuasive, conversational style that will woo even the most cynical reader. He has used the Jabez prayer for more than 30

years, and testifies enthusiastically to the changes it has wrought in his own life. Wilkinson challenges readers to recite the Jabez prayer every morning and keep a record of the changes that occur. The power, he emphasizes, is not in the prayer itself, but "rather, the power is in what you believe will happen as a result of the prayer, and the action you take." Wilkinson makes a convincing case. --Cindy Crosby

Wonderful book full of wonderful pearls of wisdom to help guide you through your life and understand God’s word and HIs work in you. It would probably take you an hour to read through the whole thing, but it is one to read through all the time.

Tis book can change your life, giving you a closer walk with God, it will expand your territory. But only if that is what you sincerely want. It is a life changer. Phyllis Willingham

Its amazing how powerful this little book is. I bought 2 copies for my daughters. The author talks about God blessing us so we can spread the gospel. He writes about if you have a heart to have a ministry or business so you can financially further the teachings of Jesus you will be blessed. God wants to bless us! I never thought about asking God to bless me, The next major teaching in this small book is how easy it is to be self sufficient in your money. He teaches how many Christians have failed in the ministry because of this mentality. Wonderful book. You will have to read it 3 times to get all the wealth of knowledge in it. Note: it is not a book about gimme gimme so I can get rich. If you think that after you read it, you need to read it again. Its about Jesus not you!

Absolutely love this book and recommend it to anyone. I have bought multiple copies to pass out to friends and family.

This prayer prayed everyday "REALLY" works. It opens our hearts to obedience to God, then HE does the rest.

Great book. Will surprise some readers. It is not a "name it, claim it" scenario.

Complete game changer. The testimonials on the website that this book and the belief in its

underlying principles will change your life is an understatement. It will not only change your life it will absolutely overwhelmed with blessings... but you have to remember to ask.

Great
