It is supperI see next chapter soon next month OctoberMy favourite book and my first book I red please continue

it a very good book because it's bought 2 guys how hate each other then the hero comes and stops the fighting forever thank you!!!!!!

it was good, but to short, yet also not very intresting. the ending was weird. also, block boy, you seem to right many boos, but it feels like you don't care about yoor readers, and you try to finnish as quick as you can. ps, i am Ykrafter. not my mom. steve the noob rocks. my favorite authors are:steve the noobcrafty nicholewimpy steveand more!also, back ad:if you are reading this, and

your not block boy, and is Korean, like youtubers, then search Ddotty. he rocks. but some people won't know what they will be saying.

it's a good book csn you make book 2 AND CAN YOU MAKE IT LONGER sorry I got worked up but that book took a long time to download and then the book was so small so when or if you make book 2 block boy can you please please please make it a little bit bigger or A LOT BIGGER AND MAKE THAT BOOK 2 SO BIG THAT IT MIGHT TAKE ME HOURS BEFORE I EVEN GET TO THE MIDDLE and if you do that would be so good so good indeed infact make herobrine go crazy in the next book that would be book 2p.s make book 2 very bigp.p.s if you could please make book 3

In all of Blockboy's books there is at least one word spelled wrong. For example, in this book neighbors is spelled wrong.

I like the plot but the ending is so corny. Of course Herobrine and Steve turn out to be great friend just because of someone else.

Very sweet book about friendship and stuffs. How dare d herobrine get nether brick in the overworld?!! When is part two gonna come out?

Hi ya felers how y'all?! Joseph 's hip-hop Josh Josh kink pin peel elk dumb junk do silk DBm pink peel be 'll d BelkinI l t b !
