Customer Reviews

First borrowed from library. After renewing twice, knew I had to buy it. It’s great for anyone, watercolorist or not, who wants to improve their color skills. For clothing or web design, painting or illustration. Universally inspiring book. Lovely images and lively text. A real keeper! Great book, great condition and arrived quickly. LOVE getting books from . Great deals sometimes. For this artist.

I am new to watercolor painting, and though it is written for more experienced artists, I thought this book would give me an intimate preview of the medium, its problems and possibilities as viewed through the eyes of accomplished professional artists. It certainly did that, and will be a trusty reference and guide as I advance in my painting skills. A gem, especially for the $2.99 price!

Great informative book. Full of helpful tips to improve your artwork. Well worth the purchase.

THERE IS A LOT OF HELPFUL INFORMATION IN THIS BOOK. I PURCHASED IT AS A REFERENCE BOOK FOR WHEN IT IS NEEDED. WHILE I DO MOSTLY PORTRAIT WORKS, THE INFORMATION WILL BE VERY HELPFUL.

I have a lot of watercolor books. This is a little gem. It’s one of the rare ones that is worth every penny. Really clear instructions for intermediate level. I highly recommend.

very good book

I found it to be very nteresting and helpful.

I liked this book, the only thing I didn’t care for was that you can only get it in hardcover form, I like to take all of my other art books, cut off the spine, comb bind it so that I can lay it flat on my desk especially if i am following along as I do something
