Synopsis

Would You Like . . . Real Bible study and #151;that works with real teenagers? Time-saving, easy-to-follow meeting plans? Creative, practical study that gets kids involved during and after the meeting? A break from topics that are long on discussion but short on Scriptural answers? To get kids face-to-face with God's Word, so it can touch their hearts and minds directly? To cover the Bible chapters you choose at the speed that fits your group? Money-saving reproducible sheets and #151;instead of student books?If your answer to any of those questions is yes, you're ready for Quick Studies! It's the six-volume series of youth resources that vies you a complete Bible study for every chapter of the New Testament!Dig into Matthew and amp; Mark with this volume and #151;more than 40 step-by-step studies! In each session you'll find features like . . . Chapter Check: A quick chapter summary to prepare you. Opening Act: An activity that gets the group going and focused on the chapter. Q and amp;A: Questions and answers that get kids thinking and talking about key points. So What?: The wrap-up that helps kids apply what they've learned to their everyday lives.You even get a reproducible handout for kids with each session and #151;none of those boring, fill-in-the-blank student books to buy!Is your youth group or Sunday school class, high school or junior high, ready for Quick Studies? Have the whole set on your shelf so you'll be ready, too!

Customer Reviews

Good study guide for middle school students. I like the lead in questions in the beginning of each chapter that connects to the lesson.

I really love this Bible study and all the other Quick Studies by David C Cook! It has good discussion questions which are appropriate for youth groups. I've used many of the questions with adult studies, too!

If you are looking for material that fits a particular text, this the study that you need. The leading questions will produce excellent banter between you and your students.
