Synopsis

What is it? When was it made? How much is it? You'll find your answers in this comprehensive beginners guide for identification and valuation of vintage Stanley tools with colour illustrations, product information and price estimates for buyers and sellers.This guide is based on the Stanley Catalogue No 120 from 1923. We chose it because it was the first major catalogue of the combined Stanley Works. It was tempting to reproduce the catalogue without additions but that has been done before. We decided to reduce the size of the original line art pictures in favor of color illustrations, values and additional product information.The result therefore isnÃ¢â ¬â„¢t a true re-print of the original catalogue but rather an enhanced reproduction that will assist budding Stanley collectors with identification and valuation of Stanley tools. We did not set out to compile a complete list of Stanley tools but rather give you a snapshot of the Stanley range available at the time the Sweetheart catalogues were issued.

Book Information

File Size: 36637 KB

Print Length: 150 pages

Publication Date: May 21, 2017

Sold by:Ã Â Digital Services LLC

Language: English

ASIN: B0719PSYN1

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Not Enabled

Lending: Not Enabled
