I always love Karen Kingsbury's books. This audio collection is wonderful. Thanks for carrying it.

Great Stories! very pleased with product!

Bought for a home health client that had to wear a neck brace for 3 months. She loves to read but found it impossible in the brace. This was such a blessing for her! Karen Kingsbury is such a great author and the narrator is excellent!

I have ordered these for my parents, who are retired; they are totally enthralled. The plots move quickly, the situations are real-life, and my parents have opened their hearts to consider situations and circumstances that are far from their current life experience. My mom had never before considered herself a reader; it's wonderful to see her rediscover herself in her 70's. The books are almost a spiritual, mental and emotional work-out for them, and this is a credit to the author for writing these can't-put-them-down stories. The only drawback-- mom had to get her reading glasses updated :-)))

Great way to catch up on the Baxter family. Played them in my vehicle while traveling.

I chose this rating because it included many of life challenges and how we can handle them in real life. It may not be the same results, but we have hope. Karen is blessed beyond measure with the ability to write. I'm sure it take a mountain of research to make her books realistic. I was challenged to figure out how certain situations would evolve. Her books are easy to read and adds mystery also. Thanks.

Loved the series. So good and couldn't put them down.

These were in excellent condition. Really like this author. Would recommend seller and author.
