Anne Taintor created her first images 25 years ago, cutting and gluing images and captions sitting at her kitchen table. Now she and her daughter apply current, slightly twisted captions to vintage magazine clippings from the ’40s and ’50s. Her magnets, journals, and many other items featuring these designs are in distribution at specialty stores throughout the country. She also has personal care products with BlueQ, and paper napkins and tissues with Paper Products Design. She lives in Portland, ME.

This is a cute calendar. However, even though the pages are large, the calendar boxes are very small and it can be hard to read the dates from where I sit at my desk (even though the calendar is not that far away). They have enough space on the page so the boxes could have been bigger. I’m not sure why they made it like this.

Ms. Taintor never fails to create these fun calendars, but they have very useful events and even moon phases, too. Just the thing for our kitchen.

On time and as expected.

Arrived on time and exactly as described! Love it!

Love this humor. I am buying Anne Taintor's items out of habit and she does not fail! I love these quips and continue to laugh at the modern humor with old school vibe. Cannot stop laughing. She is so spot on! Great stuff!!! Anne brings it home again.... and again.... and again.... :D

This is my second year in a row getting this calendar and I LOVE it! My husband and I look forward to seeing the monthly pictures with the hysterically funny comments and there is plenty of room to write in the boxes for a family of 4!

It was ok. Not exactly laugh out loud funny or anything. All the dates are there!

Not as snarky or funny as I thought it would be ...but still worth the money. Thanks.
