Always love Patsy Clairmont wisdom!

Patsy gets your attention in a fun way!

This book makes me break out into big belly laughs as well as tell me that healing takes time. We've all "been there" no one is perfect for it takes the Potter to fill the cracks in our lives.

thank you

Author Patsy Clairmont is a recovered agoraphobic who will keep your interest and keep you laughing as she shares her life experiences with you while making you look inside yourself. She

intertwines inspirational messages throughout her books. She keeps her chapters short and simple. A very easy read. You cannot go wrong with this book for yourself or a friend in need of uplifiting reading material. If you are like me, it will leave you searching for every book Patsy has ever written.

Hilarious and thought provoking! She uses humor to look at many of life’s challenges using many of her personal life’s experiences. Done in short story format. If you ever need a laugh and a "moral to the story" then this book is a must read. A timeless book.

I love Patsy Clairmont, she has the best sense of humor when it comes to Christian advise and just good reads. I have heard her in person and she’s just as good in the written word. She cracks me up, and gives me a good lesson at the same time.

No matter who you are, what you look like, what your idiosyncrasies are, just how awful or weird you think you are--read this and a wonderful thing will happen! You will come out smelling like a rose. Patsy Claimont had come to a place where she wouldn’t even get out of bed! Now she travels nation- and worldwide with Women of Faith and shares in the funniest ways how to accept yourself without being "perfect." What a woman!
