Synopsis

This powerful book deals with the issue of how Christians, especially those called to counsel, can help survivors of sexual abuse find healing and hope. From 20 years of experience, the author demonstrates how counselors can walk alongside people deeply wounded by sexual abuse as they face the truth about who they are, who their abuser was, and who God is as the Savior and Redeemer of all life. Counseling Survivors of Sexual Abuse issues a strong call to the church at large to walk with survivors through the long dark nights of their healing.

This should be mandatory reading for every pastor and student for the ministry. Christian leaders generally have no idea what to do with child abuse, as all of the recent scandals should make clear. Dr. Langberg’s love for Christ and love for the oppressed shine through on every page. "Whoever defiles the temple of God, God will destroy."Get this book.

For the inexperienced with counseling survivors fo abuse, this book is quite helpful; for those with a great deal of experience, it serves to confirm what we already know. It is a good resource for those who teach and train Christians who will be involved in counseling survivors, but there are resources that are more in-depth and practical.

In my profession it is important for me to have resource material. The prices of these are sometimes prohibitive. I am thus thankful for this great resource at the price at which I got it

This book is a must for anyone who is struggling with this area or has a loved one who is. This book equips anyone who wants to learn more and become more sensitive to help those through the life-altering affects of sex abuse.While written for counselors, this book makes adapting the practical suggestions applicable for everyone. Professional, caring friend or relative. I am very grateful to have found this, it has made all the difference.Ms. Langberg has tremendous compassion and wisdom to share on this difficult topic. I highly recommend it.

Good info

Lots of information and well written.

Love to read

Dr Langberg has written an incisive book full of God’s love and Grace that, if followed, will help any counselor to help the hurting victim. I am thankful for her pioneering work that she is willing to share with us.
