Customer Reviews

I expected the book to be more Scripture-heavy and less psychological. They make some very good

points, but much of the advice is more behavior modification, rather than addressing the heart problems.The authors also have a habit of providing a bit too much description of their stories and scenarios, which is counterproductive given the point of the book.

Love it!!!

Great Bible study for men.

Definitely breaks the walls down of sexual sin and goes in depth with why and how these sins destroy our lives from the inside out. A must read, really helped to rid my life of pornography.

Husband did this story with our teen son. They both said it was helpful. Needs adult supervision in my husband’s opinion.

Great book for fighting the battle against sexual impurity. Used book, but was even better condition than I expected.

Good read. Thank you.
