The Federal Aviation Administration is the national aviation authority of the United States. It regulates and oversees the aviation industry, pilot licensing, and airspace with the goal of providing “the safest, most efficient aerospace system in the world.Ã¢â ¬Â•

The old manual in a new publication version.

Too many formatting issues on Kindle edition make this book unreadable. Returned for refund. The Kindle team needs to evaluate the quality of their offerings to ensure a positive customer experience.

A great book for any new pilot. Clearly written, great illustrations. Get it along with the oral flight

review book.

Nice quality and probably as compact as you can get for the amount of info it needs to have,

Great studying material for your Private Pilot License.

I use Airplane Flying Handbook (FAA-H-8083-3A) as one of my three sources for passing my flight reveiw.

Excellent. Great book for Flying.

An amazing reference book for aviators of all levels.
