Customer Reviews

This books has six songs, The Ballad Of Sweeney Todd,By The Sea,Johanna,Not While I'm Around,Pretty Woman and Wait. The arrangement is at the level called easy piano. I thought the arrangements were nicely done. The key signatures and left hand parts are not that difficult and can be mastered. However this is not a beginning level book, so those who do not know how to play piano will have some difficulties. Easier levels are Big Note Piano or EZ piano. If you buy this book and find it is too difficult don't be discouraged just practice the piano more, and come back to this book in a month or so, when you are ready. Not all piano books will have the chords on top. If that is what one is looking for there are lots of Fake Broadway books, you can find quite cheaply, which will have the lyrics, guitar/piano chords and no left hand, so it is much easier to read. I recommend this book highly and was quite pleased and so are my piano students.

There are no simple beginnner chords on this, and no guitar chords. Unlike others I've bought for my niece who is way into broadway shows. Not for beginner piano players.
