She is the author of the New York Times bestselling picture book, Sofia the First.

This book is adorable. The plot line is cute and my 4 year old loves it. She wants me to read it every night! The art work is excellent and it is a must have for any little girl (or boy) who loves Sofia the First. The "villain" in the story is the Jade Jaguar who by all accounts ends up not being very mean

at all, and my daughter loves to imagine up her own stories about the Jade Jaguar and her adventures with him. You and your children will love this book.

The book itself if great, but it's missing any instructions or information regarding the included digital download, "Stronger Than You Know." That was the main reason we purchased this book, so my kids are really disappointed.

This is one of our preschooler's favorite episodes of Sofia. She loves the song that came as a music download with our version of this book. The book is illustrated beautifully like the other books. We like the story line too which is the same as the tv episode.

my niece is a fan of sofia the first and she loves to read sometimes. she enjoyed the other books I got her an I know that she will love it. it has mulan in it. recommended for little girls and fans of sofia.

Again and again thanks for another lovely book.Sofia the Princesses to the Rescue is a gift for my great-granddaughter next week.Thanks for speedy great good condition once again!!!!

BOUGHT THIS FOR MY NIECE FOR CHRISTMAS AND SHE LOVES IT! HER GRANDADDY READ IT TO HER XMAS DAY AND SHE GRINNED THROUGHOUT THE WHOLE BOOK

One of the favorites of the TV series was Mulan and the song she sang. This book plus digital song adds to the enjoyment.

My daughters love it. I love my daughters. Therefore I love it. Transitive property. Math.
