Pete NelsonÃ¢â ¬â„¢s previous books for Abrams include Treehouses of the World (2004) and New Treehouses of the World (2009). The host of the Animal Planet show Treehouse Masters, Nelson runs Nelson Treehouse and Supply (NTS) outside of Seattle. He lives in Fall City, Washington.

This is a fun calendar and it always catches the eye of friends. I was not sure what to expect, as my idea of tree houses comes from Swiss Family Robinson. The majority of the tree houses are either lodging accommodation or fantasy and other attractions in public parks. An enjoyable and unique calendar and I learned more about tree houses.

As usual these calendars make me want to build a treehouse in my back yard. I don’t have my own but boy if I did???? I love each one I’ve gotten!!!

I get one of these calendars every year, and have since 2011. I love the size, the images, and the

wood grain texture behind the calendar dates.

beautiful... perfect addition to my wall at work... great photography...outdoors... often stare at it and dream.....

Watch the TV program and I was amazed at what can be done with trees. I really enjoyed looking at all the Treehouses for the year.

It is a fun conversation starter in my office. I really like the "Mirrorcube" treehouse for December.

I love this calender, as I watch his TV show all the time

Thanks for your speedy delivery. I just love this calendar. Thanks again!
