Customer Reviews

What a beautiful, well-organized and delicious cookbook! I've followed the Add a Pinch blog for years and love Robyn's recipes, so I was thrilled to receive my books! (I ordered several as gifts!)I made the Easy Skillet Lasagna and Strawberry Shortcakes with Cream Cheese Biscuits and they

were a hit!!! I can’t wait to dive into more of these recipes!Great Southern book that I feel sure will be a classic! Love it!!!

She has so many great recipes I’m sure it’s hard to choose what goes into a cookbook. There are so many more I wish were included

I have made the buttermilk biscuits (multiple times), chicken pot pie, Parmesan chicken and broccoli, chicken and broccoli mac and cheese (left over recipe recommendation), pot roast, pot roast casserole (left over recipe recommendation), and I’m going to try the chocolate pie recipe tomorrow. My family loves these recipes and we’re trying to find a recipe that "doesn’t work" and it hasn’t happened yet. My family doesn’t like fish and I’m hoping Robyn Stone’s salmon recipe will change their minds. ;)Buy this book!

You could gain weight just by reading this book. All the recipes look delicious and are fairly easy to do and don’t require crazy ingredients.
