Customer Reviews

This book was funny and had an OK amount of adventure! I love every single book this author writes because all his books are great!!!! BEST AUTHOR EVER!!!

My minecraft crazy son loved the book. The illustrations seemed nice also.

good book, strong story line and the pictures were absolutely fantastic! However, there were some thing’s that didn’t make sense, like when they met the gasts in the cave because everyone knows gasts only spawn in the nether so im not sure about that. also why did the skeletons attack the zombies? and why were the zombies even trying to get chicken and Lucy in the first place? anyway, really good book, and I hope this review helps you decide to buy this book! keep on writing Steve the noob! --TheGolem64
