Synopsis

A new, unknown jet injector is lose in the city, sowing the seeds of chaos and death. The humans she infects turn into frothing, raving white-haired maniacs driven to torture and kill. And what's worse--anyone who comes into close contact with these monsters is liable to become one themselves. Tatara and Suzue are in trouble--will Black Label reach them in time!?

Customer Reviews

When this series started, I was mainly drawn to the incredible visuals. I mean really, a twenty millimeter cannon for a sniper rifle? The story compelled a closer look. The drama remains riveting. I really enjoy the minor character's growth and development.

Pretty good
