Synopsis

Quilters have expanded the traditional boundaries of their art, embellishing their work with beads, embroidery, and surface design. They, as well as other fiber artists and sewers, will warmly welcome this idea-packed resource that opens up a new realm of creative potential. An illustrated basics section and quilting primer, fun techniques to experiment with, and 24 unique projects created by well-known designers--including a retro-chic throw pillow, miniature wall quilt, and fabric greeting card--will provide quilters with hours of enjoyment, instruction, and inspiration.

Customer Reviews

Valerie Shrader is a senior editor on the needlearts team at Lark Crafts and has written or edited dozens of books related to textiles and needlework-including Simple Contemporary Quilts; Sew Cool, Sew Simple: Stylish Skirts; and Hip Handbags. Valerie lives in Asheville, NC.

I recently purchased this book and am looking forward to try this art form. I am a quilter though new to beading on quilts and was not sure where to begin. The instructions are easy to understand and the projects are lovely. I initially bought the book for the pomegranate project though after looking through the book there are many more projects I want to try. Very inspiring. Reader must have knowledge of quilting and working with fabric/sewing skills.

Disappointed totally in this book. The projects do not appeal to me personally.

The twenty four projects in Creative Quilting with Beads, offer quilters the ability to embellish their designs with beads to make them even more gorgeous! And, if you are new to quilting, there are lots of how-to's from piecing to hand-sewing to hanging quilts. Each project has a picture of it completed, as well as close-up views to see the beads' placement easier. I loved the "Broken Dishes" quilt, that not only uses the traditional broken dishes design, but also adds small pieces of broken china to give it extra character! And the "By The Sea" free form style quilt would make a stunning wall hanging with it beach colored fabrics and its use of shells and thread to evoke a calming beach scene. There's even a gallery of beaded quilts in the back, which is a nice addition to the book. The lovely crafted projects include not only art quilts to hang, but also more usable items, like a card, magnets, book cover and more!
