Customer Reviews

Excellent!

Great pieces, great price! Love this book!

No one plays like David and I cannot see any comparison with other pianists. To listen to his music sets your mind into the clouds, waiting for the next phrase of the music. I bought the piano book so that I could play, not like him, but something along the lines. The book only arrived yesterday, first delivery in the New Year and I am yet to start playing his pieces. Would recommend the song book

for anyone who likes New Age Music.

I really like the sound of these although I have not played through the entire book yet. There are a couple of really nice, beautiful pieces in here that I am going to put on my "to play someday" list when I have nothing but time on my hands. I like these better than the pieces in the George Winston book. Nothing personal, well I guess it is personal preference.

Enjoyed the selections in this book very much. The pieces were fun to play, and the arrangements sound really good.

My daughter loves anything by David Lanz! This is for intermediate piano players. We can’t wait for more works by David Lanz!

Beautiful music. Arrived quickly and packaged well, no creases, dings, or tears.

Not much in terms of a review to add. I’m just a beginner, and, well, the notes look right :) But I would like to add a list of songs featured, as has left that out of the description...This book features the songs:Behind the Waterfall, Courage of the Wind, Cristofori’s Dream, Dream Field, Faces of the Forest, Farewell Amparo, Heartsounds, Leaves on the Seine, Nightfall, Song for Monet, Spiral Dance, Summer’s Child, Valencia
