## Synopsis

The MicrosoftÃ Â® Office System is the most popular desktop suite of personal productivity tools and technologies. Because the Microsoft Office suite of tools is so comprehensive, it can be challenging for people in certain professions to understand how to use Office to perform tasks specific to their job. This book focuses on the tasks a Paralegal performs every day—rather than the all too common software-centric approach that many other technology books habitually adopt. Other Microsoft Office books on the market for the legal profession are often difficult to understand because they largely address an Information Technology (IT) audience, cover too many professions in a single book, or are so large (more than 800 pages) as to be overwhelming. This book was written with Paralegals in mind. In fact, this book was developed by consulting and interviewing industry experts, legal trainers, technology experts, attorneys, and of course, Paralegals. The authors learned exactly which topics were most troublesome for Paralegals, and made sure to explain them thoroughly. This book covers the use of these Microsoft Office System products for Paralegals: -MicrosoftÃ Â® Word 2003 -MicrosoftÃ Â® Excel 2003 -MicrosoftÃ Â® Outlook 2003 -MicrosoftÃ Â® PowerPoint 2003 -MicrosoftÃ Â® OneNote 2003 This book helps Paralegals cut through the hard stuff, and makes Microsoft Office work for them. This book comes with free bonus materials: -Additional Legal Templates -Advanced Chapters -Keyboard Shortcut References

## Book Information

Series: Vertiguide

Paperback: 368 pages

Publisher: Agility Press (March 1, 2005)

Language: English

ISBN-10: 1932577106

ISBN-13: 978-1932577105

Product Dimensions: 9.7 x 7.1 x 0.8 inches

Shipping Weight: 1.3 pounds

## Customer Reviews

"Excellent resource for Paralegals using Office 2003...the easy-to-follow format ensures this book will become a must for Paralegals today!" -- - Gina Buser, President, Traveling Coaches, Inc."This is a great book for non-techies. Its friendly style and practical examples will help Paralegals quickly learn the basics." -- - Ian D. Levit, Vice President, Levit & James, Inc.

I haven't read all through this book yet, but I have a feeling that it will come in very handy in my studies for my degree in Paralegal.If you are going to school to be a Paralegal, I recommend you get this book and also "Paralegal Careers for Dummies".
