Customer Reviews

What are some of your favorite recipes from Bake from Scratch? "I love the GÃƒÂ¢teau Basque and the Beaumes-De-Venise Cake with Apricots. But the GÃƒÂ¢teau Basque has got to be my all time favorite that IÃ¢â ¬â„¢ve baked at home. ItÃ¢â ¬â„¢s the simplicityÃ¢â ¬â ¢simplicity not in technique but in itÃ¢â ¬â„¢s flavor, presentation, and appearance. I love the custardy center and the cakey crust on top and bottom. I love the whole experience of it." -Brian Hart Hoffman

Being a huge fan of the magazine, I could not pass up the cookbook, which are magazine reprints. However, this will be one of my most favorote baking cookbooks. This cookbook is gift-worthy. Photos are stunning. Recipes are spot-on dependable. Two thumbs up. Attached is a photo of my

book with everything I would like to make tagged.

This book is gorgeous. I’m completely over cookbooks where everything uses the "quick" or "cheat" method. This book does neither. Instead it gives a wonderful (and huge) array of over the top awesome completely made from scratch recipes...with enough explanation and tips for bakers who are just getting into baking. I’m a big fan of the magazine and this is a great extension. It’s actually a LOT bigger than I thought it was going to be. Well worth a purchase.

This is a phenomenal cookbook!! The pictures are outstanding!! I made the pear walnut muffins with ginger, vanilla bean streusel the other day. I must say that they were the best muffins that I have ever had! I know, huge words but it’s true.

I have several baking books and this one is one of my favorites! The recipes taste great and they come out looking just like the pictures.

This is the best and most attractive baking book I’ve ever seen! This is a keeper and worth every penny. Grab your copy now and enjoy every crumb of these sweet temptations. Thank you for making this beautiful book possible. Every home baker will love it!

What a beautiful book! I buy the magazine so I was already familiar with the recipes - they are good! Every baker should have this book in their collection.

I JUST LOVE THIS BOOK!!!! Also got one for my daughter-in-law and will be getting one for my daughter. My house currently smell of fresh baked bread.

Loved the book! There’s so many recipes I want to try.
