Dr. Cromie is the pastor of The Royal Poinciana Chapel in Palm Beach, Florida. Congregations have benefited from his inspirational sermons, leadership skills and matchless counseling for over 40 years. Dr. Cromie graduated from the University of Pittsburgh, the Pittsburgh Theological Seminary and the University of St. Andrews in Scotland. He is a native of Pittsburgh, PA where he started Desert Ministries, Inc., a non-profit company that publishes books dealing with grief, illness and other difficult issues. He is the author of several books including When You Lose Someone You Love. Dr. Melanie Bone is a practicing obstetrician/gynecologist. After nine years of working for a large group of doctors, she opened her own office in 1999. Just one year later, she was diagnosed with breast cancer. Dr. Bone is the President of the Hope Project (a mobile mammogram unit), treasurer of the Florida Obstetrics and Gynecology Society, a board member of the Florida Breast Cancer Coalition and the founder of ChemoComforts, a not-for-profit company which produces kits to help people get through their cancer treatments.

The book is written in two parts- the first is very factual, the second rather spiritual. Having met Melanie Bone (she is my gynecologist) I wish the entire book had been written by her. She is so dynamic, empathetic, brilliant, and helpful. I will be looking for books that have been written strictly by her.
