Synopsis

Carmen is a multi-movement work, and this arrangement provides all the lustre from the original orchestral score equally shared by the two pianists, creating a most exciting performance piece. Movements may be performed separately, thus making it a bit more simple to learn, or it may be performed in its entirety. Sure to be a big hit with two-piano teams. A Federation Festivals 2016-2020 selection.

Although I love this opera, I was under the impression that this book would be in English, but it was in French. It did not specify that it was in the original language, and appeared to say that it would be in English so I was disappointed.
