Years ago, when I was a new and struggling volleyball coach for a Christian school, I felt discouraged as I attempted to teach the players. The drills I came up with weren't gamelike and didn't promote team unity. Enter Don Casey, volleyball coach extraodinaire who played under greats like Marv Varonee and Bill Neville. I attended a few of his clinics and started to finally understand how to teach and coach effectively. He is also a strong Christian. My team went on to win state. Now all of Don's wisdom including some excellent devotionals taken straight from volleyball are in this 377 page volume. This book will make any coach, athlete or player better at volleyball and at life.

Very good book, wishing I found it years ago! I graduated from a public school and now coach at a christian school, I found this book this past season and it helped the transition SO much! It has the history of Volleyball, drills, devotions and every volleyball skill there is! I would recommend it to any

coach, player, or volleyball enthusiast!!! An easy read that's full of information!!!
