Synopsis

Counseling LGBTI Clients is a comprehensive, practical, easy-to-read guide for both emerging practitioners and current practitioners, LGBTI individuals, and those who know them. It combines theory, research and practice with a framework that focuses on challenging and changing beliefs and attitudes toward each LGBTI subgroup, gaining current knowledge about the subgroup, and empathetically developing skills to work effectively with the subgroup in a LGBTI-affirmative manner.

Customer Reviews

This is an important-and much needed-work for anyone wanting to work with these populations. Based on the latest empirical research, this book clearly addresses the issues facing LGBT individuals and their therapists in an objective and empathic manner. I highly recommend it."--Jeannie D. DiClementi"Counseling LGBTI Clients is based on more empirical research than any other volume that exists on the topic of LGBTI individuals. This practical, easy-to-read guide challenges and changes beliefs about and attitudes toward each LGBTI subgroup, while preparing practitioners to provide sensitive, informed, and effective affirmative counseling to this largely misunderstood population. The volume is a comprehensive guide for both emerging practitioners and current practitioners, LGBTI individuals, and those who know them."--Sir Read a Lot"Sir Read a Lot" (06/02/2012)I have been looking for a text like this, one that integrates theory, research, and clinical practice seamlessly, since I began teaching students nearly a decade ago. --Phillip J. Osteen (10/06/2011)"Counseling LGBTI Clients is a thoroughly comprehensive book that makes GLBT issues accessible to students. This book includes a depth and breadth of coverage that I

have not seen in other titles. --Samuel Sanabria"This text provides an easy to digest and comprehensive current state of the field of GLBT counseling and would be a valuable addition for emerging and practicing clinicians. --Daniel J. Munoz (10/06/2011)"This textbook is an excellent resource to help counselors better understand LGBT persons, bond with similarities, honor differences, and be instrumental in helping LGBT clients to see theirintrinsic value and unique gifts so as to better honor self and let their light shine brightly."--Laura R. Ritchie (10/06/2011)"This is an important and much needed work for anyone wanting to work with these populations. Based on the latest empirical research, this book clearly addresses the issues facing LGBT individuals and their therapists in an objective and empathic manner. I highly recommend it."--Jeannie D. This book has many inaccuracies.

great

Very good basic text on LGBT counseling.

This was a very informative book about counseling GLBTI clients. I would recommend it for teachers and students a like working with the GLBTI population.
