Customer Reviews

This guide only serves to know the "name" of the attractions. If you do days like they suggest you''ll end up exhausted, specially if you go visit over the summer. I know you "don't have" to do everything, and I didn't do it. However, you should consider that when you buy it (as many other reviewers had said).

In the Make My Day BARCELONA book, there's section on HOW TO USE THE METRO in NEW YORK CITY! The publisher put a sticker over it, and refers readers to a website.Otherwise, the book is lightweight and good for travel.

Not as good as a guide with glued spine. Small pages didn't help at all for organizing my day

Great resource
