Twenty-year-old Jack Johnson, known to his combined 14+ million social media followers as one half of the duo Jack & Jack, has been best friends with his counterpart since kindergarten. His classroom antics are now lore but were the springboard for a career only he could have imagined. The summer before his senior year in high school, he began making Vines consisting of both comedic and musical content and within months propelled himself into the hearts of millions of loyal fans. His first viral Vine with Jack G, Ã¢â ¬Å“Nerd Vandals,Ã¢â ¬Â• was hailed by the Huffington

Niece loves the book...

my daughter loved it.

This is a special request by our 13 year old daughter. We knew she wanted it, and had planned on it being a Christmas gift. But she kept squealing about "can I have it" often enough we decided to gift it to her now. The first night she had it, she had taken several school tests and was exhausted. She attempted to start it, but when we peeked in her room she was sound asleep. Jack & Jack were

under her pillow! The following evening, once her homework was done, her head was buried in the book until bedtime. We never heard a sound from her all evening. Asking how she likes the book elicited a giant grin. About 2/3 of the way through it and she is already talking about reading it again when she finishes.Pretty good recommendation

This book was amazing! I would give it a 100/100 if I could. It really gives a deep insight into their lives.
