Two more islands, Niihao and Kahoolawe, are also included in this chain of islands.This is one of the worldÃ¢â ¬â„¢s best places to spend a vacation as there are many tourist attractions in this area. The time zone of The Big Island, Hawaii is 6 hours behind Eastern Standard Time. This island also has an international airport with direct flights to many countries. The climate is usually warm throughout the year and therefore, the ideal and most popular time to go there is during the winter season. In this season, there are good surfing conditions and whales can be seen offshore. The sun is stronger on The Big Islandin Hawaii, as compared to any other place in the United States of America due to its geographical locationbecause it lies 1,140 miles north of the equator. Here is a complete travel guide to The Big Island in Hawaii and it gives you loads of information before you set off on a wonderful vacation.
