I was looking for a Hawaiian art book and stumbled upon this. I was curious, so download it.Coloring pictures are a lousy selection of stylized, beachy sorts of themes - fancy drinks with umbrellas, bikinis, volcanoes, and tiki gods.If that's what you are after, this is for you! I didn't want that for my kids or myself.

Art Books = Ads for the print versions of their coloring books. No downloads and nothing to print for coloring. What good are they to Kindle owners...None.When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already have. WHY Not Here On ??
